

Introducing live chat for 24/7 support

To create the smoothest booking experience for you and your clients, we are delighted to introduce a new 'live chat' feature, through our Trade Portal, which provides 24/7 support.

In addition to our round-the-clock assistance, we have also added new services, such as 'split PNR' and 'young solo traveller declaration', to make your job easier than ever.

With our Trade Portal you can also access:

Self-Services:

Name correction and change, Qsuite quad access, Ok-to-board for seafarers, and more

Learning Management:

Training, special courses and downloadable certificates

Information

Hub: A single, easy-to-use platform which includes QR policies, products and FAQs

Local Language Websites: Currently available in Chinese, Japanese, Korean & Portuguese. Russian, French and many more to be added soon.
